TROPICAL CHAPTER NO MORE

September 26, 1961

Dear Mr. Monroe,

The Tropical Chapter of the American Hibiscus Society held a meeting on September 21, 1961, and voted unanimously to disband.

With only 12 members we found it too difficult to comply with all the by-laws set up by the Society.

Our association with all of you has been most pleasant and we hope that some time in the future we can again be regular members. In the meantime we hope you will permit us to be members-at-large.

Sincerely,
Margaret Churns
Secretary

A horse can't pull while kicking;
This fact we merely mention.
A horse can't kick while pulling,
Which is our main contention.
So be a good old horse and pull your share.
It's the one sure way to get us there.

C. A. Bucanan

SPECIAL MEMBERSHIP MEETING & BOARD MEETING

THIS IS AN OFFICIAL NOTICE OF TWO MEETINGS TO BE HELD IN NOVEMBER.

A special membership meeting has been called for November 12, 1961 at 9:30 a.m. It will be held for the purpose of voting on a resolution presented to the Board of Directors at their last meeting. The resolution, which follows, will be the only item of business to be taken up by the general membership. All members are invited to sit in and listen to the board meeting that will follow, however.

The board recommended the adoption of the following resolution:

"WHEREAS there is confusion as to which of the chapter officers should make the reports at the Annual Membership Meetings - the newly elected officers or the retiring officers,

AND WHEREAS the percentage figures for the travelling trophy are not true and just when figured on renewals and not total members for the past year,

AND WHEREAS it would ease considerable the work of the Treasurer prior to the annual membership meeting,
